

DISPUTE RESOLUTION

“ *There is nothing so likely to produce peace as to be well prepared to meet the enemy*

– George Washington

Going to war or getting into disputes is never desirable but in the business environment in which the world currently operates such disputes are inevitable. As someone once remarked: *In business, when two people are always in agreement – one becomes unnecessary.*

It is perhaps wishful thinking to think that justice will prevail in the end or that the result of a dispute will necessarily fall in favour of the party that has the best merits or indeed that is “morally” in the right.

Battles are often won by the party with most foresight and who is best prepared.

At OLN, we take a strategic approach to Dispute Resolution and concentrate on outcomes rather than simply follow the well-worn process-driven exercise that sees both parties heading down a lengthy and expensive path to a courtroom trial. No one wants to be involved in disputes and our approach not only strives to avoid disputes from becoming expensive and protracted but ensures the minimum disruption to the client’s business and existing business relationships – even those with the opposition.

OLN's mantra **Practical Legal Solutions - On Time - No Excuses** instills this innovative and strategic approach to resolving disputes such as:

- Banking and Financial Litigation
- Corporate and Commercial Litigation
- Debt Collection
- Defamation
- Employment Disputes
- Enforcement of Foreign Judgment
- Injunction
- Insolvency
- Insurance Claims and Disputes
- Intellectual Property Disputes
- International Trade
- Landlord and Tenant
- Personal Injury Claims
- Professional Negligence
- Property Disputes
- Regulatory and Disciplinary Proceeding
- Shareholders' Disputes
- Trusts and Inheritance Disputes
