

TAX ADVISORY

OLN
OLDHAM, LI & NIE

“ *In this world, nothing can be said to be certain, except death and taxes.*

– Benjamin Franklin

In today's volatile business landscape, with evolving tax rules and regulations, along with increasingly strict anti-avoidance measures in tax reporting, it is crucial for both individuals and corporations to understand the implications of tax risks and adopt a proactive approach. By doing so, they can navigate the challenges of market fluctuations and gain a competitive edge.

OLN's Tax Advisory Department, comprising a dedicated team of lawyers, certified public accountants, and tax experts who bring a wealth of expertise and practical experience, takes pride in guiding clients to minimise tax risks and identify tax-saving opportunities in the most effective way possible.
