Profile

Keith advises on a wide range of corporate, securities and commercial transactions, with deep experience in equity capital markets, cross border M&A and investments, and Hong Kong listing regulatory compliance. Keith also provides advice to founders, controlling shareholders, start-ups, small medium enterprises, listed issuers and multinational groups in all aspects of their activities, including equity and debt financing, corporate restructurings, shareholders agreements, joint ventures, permits & licensing, employment compensation & incentive plans and tax efficiency and planning.

His clients' businesses range across various sectors including global brand licensing and intellectual property management, e-commerce, wealth planning and management, education, real estate, energy, manufacturing, material technology and consumer products.

Keith also provides comprehensive legal counselling to private clients on their private wealth management, asset allocation and protection, as well as family legacy and succession planning.

Prior to joining OLN, he has worked at international law firms in Hong Kong.

Keith is a part-time arbitrator of the Guangzhou Municipal Human Resources and Personnel Dispute Arbitration Commission of the Guangzhou Municipal Human Resources and Social Security Bureau.
